

Hello to all riders and drivers with Fjord horses!

We, the Interessengemeinschaft Fjordpferd in Germany, look forward to seeing many of you from August 1st to 4th, 2024.

We want to celebrate our 50th anniversary with all of you. Everyone is welcome with their Fjord horse to participate in various competitions.

Our allround tests differ from what you are accustomed to in Nordic championships. There are three tests focusing on the rideability and composure of our Fjord horses. The details of all tests will be published in advance.

All tasks for dressage, jumping, and single-horse driving will also be announced in advance. Team rankings are available in all categories, allowing unlimited participants per nation, with each country deciding who contributes to the team scores.

All details will be publicized at [www.igfjordpferd.de](http://www.igfjordpferd.de) as soon as they are approved.

We hope to welcome many of you!

Petra Ohly and all German Fjord horse enthusiasts
